Details as at July, 2021

This subdivision plan is a draft only. Lot areas, boundary locations and easement widths and locations are provisional. They may vary and easements may be added in the final plan of subdivision.

### Sewer Easements

This is a draft plan and the location of the sewer infrastructure and easements are provisional only. Before purchasing a block, interested parties should make enquiries as to the exact location of these assets and easements.

### NOTE:

Lot dimensions, easement locations and sewer locations are dependent upon final survey and completion of subdivision works.
