- Proposed Stormwater (3m wide easement)
- Proposed Sewer Main (3m wide easement)
- 🌳 Proposed Street Trees

Details as at June, 2022

This subdivision plan is a draft only. Lot areas, boundary locations and easement widths and locations are provisional. They may vary and easements may be added in the final plan of subdivision.

#### Sewer Easements

This is a draft plan and the location of the sewer infrastructure and easements are provisional only. Before purchasing a block, interested parties should make enquiries as to the exact location of these assets and easements.

#### NOTE:

Lot dimensions, easement locations and sewer locations are dependent upon final survey and completion of subdivision works.
